REQUEST FOR QUALIFICATIONS:
Architectural/Engineering Services
Project No.: 21-250
Moffitt/Long Hospital OR 3&4 Biplane OR

The University of California, San Francisco (UCSF) Health, Design & Construction is seeking responses to this Request for Qualifications for Architectural/Engineering (A/E) services related to the design of the Moffitt/Long Hospital OR 3&4 Biplane OR Study. This project is located in the Parnassus campus at 505 Parnassus Avenue, San Francisco, CA 94143.

The expected project area totals approximately 1,000 square feet for the operating rooms along with its associated control room and machine room. The project budget is $18 million. Construction is anticipated to start by February 2022.

The scope of this project includes the conversion of existing area on the 4th floor of the Moffitt/Long Hospital building into a new hybrid OR. The existing space to be converted is under evaluation but will be determined by the time of award. The hybrid OR will utilize the Philips Azurion 7 B20/15 biplane. This remodel is to be designed in accordance with California Building Code and all other applicable codes, laws, and regulations. Office of Statewide Health Planning and Development (OSHPD) and Division of State Architect will be the regulating agencies for this project.

This is a proposed project and final selection and appointment is contingent upon project approval and funding.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Candidate Firm will be required to show evidence of its equal employment opportunity policy.

A complete RFQ package can be obtained from the issuing office through the online bidding system, Building Connected, after registering as a new supplier and completing the registration form through the following link: https://app.buildingconnected.com/public/5549acff1e9ba80b00866b7b.

Please contact Alison Kang at Alison.Kang@ucsf.edu if you need further information or clarification of the RFQ process.

Responses to the RFQ are due by 2:00 PM, Wednesday, December 23, 2020.
