ESSAY — 25 POINTS

The American Council of Engineering Companies (ACEC) represents thousands of companies comprised of more than 600,000 engineers, architects, land surveyors and other specialists. Our member firms contribute engineering solutions to present and future challenges happening around the world.

On a separate sheet of paper write a short essay (approximately 500 words) on the following topic:

Describe how consulting engineering firms provide value to their clients and long-term benefits to their community.

Your personal interest in and understanding of the engineer's role in all aspects of the built environment are important and should be reflected in your essay.
