Build Indiana Council is hosting Road Funding Day at the Indiana Statehouse on Tuesday, March 17. Many of your clients will be in attendance, view the list of those registered here.

The day starts with a briefing from 9-11 a.m. at the Hyatt Regency Indianapolis, followed by meetings with your legislators. This is a great opportunity to spend time with your local public officials and your legislators. Consider contacting your senator or representative in advance and inviting him or her to lunch.

Lunch will be on your own. After lunch, it is expected that both the Senate and House of Representatives to go into session. This will be another opportunity to connect with your legislators. BIC and our road funding partners will station individuals throughout the Statehouse during the afternoon to assist you in finding your legislators.
