Indiana Back on Track

Four principles to open back up

- Monitor the number of hospitalizations
- Retain the surge capacity for beds and ventilators in hospitals
  - $300 million to counties, cities and towns from the stimulus package
- Have the ability to test all Hoosiers who have symptoms
  - 100,000 more Hoosiers will be tested a month
  - Small businesses under 150 employees will be able to apply for PPE grants
- Have the ability to do contact tracing for those who are positive
  - This will be up and running May 11th employing 500 people to do this tracing

Five Stage Road Map

- **Stage 1**
  - What we have been in since the start

- **Stage 2**
  - May 4th (Marion and Lake counties May 11th) Hoosiers 65 and over and those that are high risk need to remain home as much as possible
  - Easing restrictions
  - Lifting essential travel ban
  - Gatherings of 25 people
  - Retail businesses open at 50% capacity
  - Restaurants may open May 11th at 50% capacity
  - Salons open May 11th by appointment only
  - Offices should work remotely
  - May 8th churches can convene

- **Stage 3- May 24**
  - At risk can venture out
  - Social Gatherings 100 people
  - Stores 75% capacity
  - Movie theaters 50% capacity
  - Playgrounds, gyms, pools can open with restrictions

- **Stage 4- June 14**
  - Face coverings optional
  - Zoos and museums 50% capacity
