MISSION
To be the collective voice of the Indiana consulting engineering community.

To advocate for legislation, regulation and policies that promote and protect the business interests of engineering companies in Indiana.

To serve as the critical resource for the development of business strategy, connectivity, and education for ACEC member firms.

To develop and diversify leaders for ACEC Indiana so that the organization and member firms will flourish and sustain its prominence in serving the industry.

To attract talent for the consulting industry so that we develop a diverse, sustainable workforce.
