ACEC IN MEMBERS URGE CONGRESS TO ACT ON CRITICAL INFRASTRUCTURE ISSUES

ACEC Indiana sent a strong delegation to the National ACEC Convention in Washington, D.C. to lobby members of Congress on infrastructure and regulatory issues, including increased investment, fixing the highway trust fund, accelerating project permitting, as well as FAA reauthorization and two water-related measures: the Water Resources Development Act (WRDA) to boost the State Revolving Fund (SRF) program for drinking water projects, and reauthorization and expansion of the Water Infrastructure Finance and Innovation Act (WIFIA).

The meetings were well timed; the House acted on a key Convention lobbying priority in passing the FAA reauthorization bill that included an expansion of QBS, $1B in annual airport infrastructure grants, and provisions to facilitate additional commercial uses of unmanned aircraft systems.

Thank you to the following members for helping to advance these critical issues:

- Phil Beer, USI Consultants
- Drew Bender, VS Engineering
- John Brand, Butler Fairman & Seufert
- Cash Canfield, American Structurepoint
- Rachel Doba, DB Engineering
- Mike Hinton, Loichmueller Group
- Scott Hornsby, GAI Consultants
- Pat Long, Indiana Chapter-ACPA
- Dave Mohler, American Structurepoint
- Mike Oberfeld, USI Consultants
- Rick Olson, Earth Ex./ Terracon

Sanjay Patel, VS Engineering
- Hans Peterson, Clark Dietz
- Gary Pohl, Butler Fairman & Seufert
- Shelby Swango, WSP
- Doug Shatto, Loichmueller Group
- Joe Zwierzynski, DLZ

2018 SALARY AND BENEFITS SURVEY RESULTS

ACEC Indiana conducted a Salary & Benefits Survey Update in 2018. With participation from 30 member firms, the report was disseminated to participating firms on May 2. Survey results will be available for non-participating ACEC Indiana members at a cost of $200 starting June 1.

New this year, the survey addressed the 10th and 90th percentiles to the professional engineers compensation results when 10 or more firms were able to match the surveyed position. This feature provides a broader view of the lows and highs of prevailing market salaries and bonuses for the group.

Contact ACEC Indiana staff with any questions, feedback on the results, and ideas for the future.
