The American Council of Engineering Companies of Pennsylvania (ACEC/PA) is the only association devoted exclusively to the promotion and enhancement of the business interests and profitability of engineering firms with offices in the Commonwealth of Pennsylvania. Our goal is to enable member firms to provide quality engineering services in the best interest of their clients and the public.

Your contribution to ACEC/PA provides exposure and opportunities that can’t be found elsewhere. Take advantage of our unique sponsorship packages, or contact our office and we can assist you in choosing those opportunities that will best meet the needs of your business.
