Maya Angelou once said, “Do the best you can until you know better. Then when you know better, do better.”

As the ACI Alliance has grown in number and in reach, the awareness of the need to engage and support therapy practitioners and educators in a better way also has grown. The program will emphasize clinically-applicable, research-based information presented by experts followed by Continue the Conversation, an interactive discussion with speakers in a small group virtual format.

From Data to Delivery: Implementing Research-Based Intervention

A Special (Re)Habilitation Connect Forum Friday, April 30, 2021 / 1:30–5:00 PM ET

This Forum is a featured session of the CI2021 conference. Registration information can be found at www.ci2021.org.
