Dear Exhibitor,

On behalf of the American Cochlear Implant Alliance (ACI Alliance), you are invited to join us at CI2024 Vancouver: 17th International Conference on Cochlear Implants and Other Implantable Technologies to be held on July 10-13, 2024 at the Vancouver Convention Centre, Vancouver, BC Canada. The exhibits will be located in the East Building, Level C, Exhibit Hall B.

The American Cochlear Implant Alliance is a non-profit organization whose mission is to advance access to the gift of hearing provided by cochlear implantation through research, advocacy and awareness. To learn more about the American Cochlear Implant Alliance, visit our website: www.acialliance.org.

The conference will foster dissemination of multi-disciplinary scientific information applicable to audiologists, physicians, speech pathologists, psychologists, scientists, engineers, educators, students, advocates, and others involved in cochlear implantation. The conference will provide attendees with opportunities to explore current global topics for CI patients across the lifespan.

EXHIBIT RULES AND REGULATIONS

1. ELIGIBILITY TO EXHIBIT

All products and services must be approved by ACI Alliance Exhibit Management at its sole and absolute discretion. All decisions of ACI Alliance Management are final. Exhibitors may only display those products and services that they manufacture or distribute. Any product that is an “investigational device or drug” must be clearly marked as such. Exhibitors must ensure that with respect to all such devices or drugs only permissible pre-approved dissemination of scientific and educational information is provided at the exhibit and that appropriate disclosure and cautionary notices are included with the devices or drugs.

All products and services exhibited at CI2024 Vancouver shall comply with U.S. Food and Drug Administration (FDA) rules and regulations (particularly with respect to the marketing and labeling of investigational devices and drugs) and other applicable rules and regulations. For additional information, contact: FDA 888/463-6332 or http://www.fda.gov

An exhibitor shall not, in any manner directly nor indirectly, imply that ACI Alliance endorses or approves of an exhibitor’s product or service merely because ACI Alliance Exhibit Management approved such product or service for display at CI2024 Vancouver.

The use of logos, seals of approval, trademarks, or other similar property rights that are in disuse, may not be used in connection with any product or service or advertising material displayed or disseminated at the exhibit.

FLOOR COVERING: Floor covering is mandatory. All sponsor packages will include carpet. Please consult your 2024 ACIA Exhibitor Kit for carpet size and color. Flooring substitutions may be made at the sponsor’s expense.

2. BOOTH PAYMENT SCHEDULE

No applications will be processed without a 50% non-refundable deposit of total booth cost. Full payment is due by February 16, 2024. Failure to submit full payment by this date may result in cancellation of space and a penalty. All applications received after February 16, 2024 must be received with full payment.

3. CANCELLATION POLICY

Cancellation of space after February 16, 2024, will result in a penalty of 100% of the total cost of the space assigned. Cancellation prior to this date will allow for a refund of all exhibit fees paid to ACI Alliance apart from the 50% non-refundable deposit.

4. DISPLAY AND LIMITATIONS

All display areas will be marked off by the contracted decorator. Maximum height of any free-form exhibit, including signs, may not exceed 12’. All exhibit display material, demonstrations, or promotional activities of Exhibitors, their employees, or agents, including crowds from these activities, must be confined to the Exhibitor’s assigned exhibit space.

Fire code regulations prohibit storage of any material behind booths. All items for storage must be properly labeled and marked. Empties will be removed prior to the opening. Any items stored behind the booth will be removed and considered refuse. Exhibitors requiring storage of product must make arrangements with the general contractor.
