

# ACIL

## 2013 Annual Meeting

*October 6-9 • Scottsdale, AZ*

***This just in...*** Derek Coppinger, COO National Technical Systems, shares insights on developing a high performance organization; H2M, consistently in the top 20% for timeliness and customer satisfaction in ACIL's Seal of Excellence Program, discusses secrets to keeping customers happy; and Cleveland Research forecasts upcoming trends for non-clinical testing laboratories based on their extensive research.

***New this year...*** the program offers Minute Mentoring, a chance to discuss your issues and concerns with top industry leaders, as well as special one-on-one sessions with ACIL staff experts in each discipline.

***Back by popular demand...*** a presentation on the current state of the economy, Tuesday evening banquet, Wednesday afternoon golf outing, section meetings on Sunday afternoon and lots of networking opportunities with peers and vendors.

*Plan to join us for this special mix of education and networking with other leaders in the testing laboratory industry.*

*Stay tuned for additional details as they become available.*

**Registration opens June 17<sup>th</sup> on the ACIL web site.**

*Hope to see you there!*
