**Instructions**

Certified ACJS Program Reviewers should use this form to assess programs during external review. N/A should be used rarely and only in cases where it is clear that a standard does not apply to a program (e.g. there are no branch campuses or alternate learning modalities).

</tbody>
</table>
Meets ACJS Standards for Program Endorsement: Eighty-five percent or more of the ACJS Standards (including mandatory standard C.4) are evident in practice and are met. One or more indicators are/may be missing or need augmentation; however, the practice is fundamentally sound and underdeveloped practices do not jeopardize the overall quality and effectiveness of the program.

Exceeds ACJS Standards for Program Endorsement: Ninety-five percent or more of the ACJS Standards (including mandatory standard C.4) are evident in practice and are met. One or more indicators are/may be missing or need augmentation; however, the practice is fundamentally sound and underdeveloped practices do not jeopardize the overall quality and effectiveness of the program.

Does not meet ACJS Standards for Program Endorsement: Less than 85% and/or mandatory standard C.4 are not met. Omissions or exceptions to the standards occur with regularity. Practice, as is, may jeopardize the overall quality and effectiveness of the program.
