## Distinct Shopping

When it comes to distinctive shopping, Orlando has deep closets. While we can certainly bring out the glitz, we also know a great deal when we see one. Our mix of sophisticated malls, quaint boutiques and value-driven outlet centers serve up globally known brands and unique local finds. And their close proximity to each other and to the Convention Area – all within a 15-mile radius – makes for a stress-free shopping spree.

### Exclusive Brands

For glamour, attendees need to look no further than The Mall at Millenia, The Florida Mall, Pointe Orlando and the Park Avenue shopping district in Winter Park. Shoppers seeking well-known brands won't be disappointed, and those searching for exclusive designers won't go away empty-handed, either.

### Value Savvy

Visitors can experience the best of both worlds by shopping at our value-savvy collection of designer outlet centers, including Orlando Premium Outlets® – International Dr, Orlando Premium Outlets® – Vineland Ave and the Lake Buena Vista Factory Stores. These outlet centers feature some of the hottest names straight from the pages of your favorite fashion magazine, but without the not-so-famous mark-up.
