Learn More About ACMP's Products and Offerings

Standard for Change Management®

The ACMP Standard for Change Management® ("Standard®") defines best practices in change management, shaping the profession since 2014. It powers the CCMP® and MCMP™ certifications, the QEP™ Program, and equips change leaders to drive effective transformation.

The Certified Change Management Professional® Program

The CCMP® is a globally recognized credential proving your expertise in change management. Based on ACMP's industry-leading Standard, it showcases your commitment to growth and ability to navigate any change challenge.

The Qualified Education Provider™ Program

The QEP™ Program ensures top-quality change management training worldwide. ACMP qualifies courses that meet industry standards, making it easy for professionals to find trusted programs and helping training providers stand out.

Networking and Professional Development

ACMP offers the world's top change management events with virtual events and in-person conferences around the globe! Stay sharp with over 22 exclusive webinars year-round and connect through 40+ chapters worldwide.

Community and Tools

ACMP Connect is your global change management hub—network, share insights and resources, and find solutions with peers. Plus, members get exclusive tools, content, and recordings in the ACMP Resource Library!
