“We congratulate and welcome our newly elected officers to the ACMP Board of Directors,” said Rhiannon Cooke, ACMP President. “The ACMP mission is to serve as an independent and trusted source of professional excellence, advocate for the discipline and create a thriving change community. We believe that the additions of Monika, Greg and Dean will certainly deepen our connection to the tenets of the ACMP mission and continue serving its members in a meaningful way”, she added.

We welcome Greg back for a second term and are excited about the addition of Monika and Dean. Our Association has been in place for only a few years, yet we have already achieved so much – in particular the creation of [The Standard for Change Management®](http://www.acmpglobal.org) (“The Standard”) and our credentialing program the [Certified Change Management Professional™](http://www.acmpglobal.org) (CCMP™). We have much still to do and our Board Members are essential contributors who are prepared to put in many volunteer hours. Thank you to them and to all the volunteers who make ACMP membership so rewarding.
