Per ACSP’s Bylaws, the Nominating & Election Committee has considered the volunteers for positions on the Governing Board and presents to you a slate of candidates for election this spring. The terms for these open positions will be for two years starting this Fall 2022 - Fall 2024. Scroll to see the candidates. Bios and photos included when available. Click here to view the candidates.

New Categorical Seats Installed with this Election

The amended Bylaws adopted by the ACSP membership in September 2020 provided for the inclusion of new Categorical Representatives for the ACSP Governing Board. The categorical concept is designed to allow the identification and consideration of issues uniquely affecting a Category’s membership. The board will still have six seats for regional representatives (Northeast, Southeast, Midwest, Central, West, Canadian) in addition to five seats from these four new categories below:

- **Representative for Individual Members** - Individual members include current and retired educators and researchers (not students). These are members in good standing of the ACSP but not supported by member departments.
- **Representative from a Minority serving Full Member School (HBCU, HSI & AANAPISI)** - This representative will be an individual listed on the roster of faculty provided to ACSP by a full member school in this category.
- **Representative for Full Member Schools with ≤ 5 Full-time Faculty** - This representative will be an individual listed on the roster of faculty provided to ACSP by the full member school in this category. Member schools in this category are those that are not also in Category 2 above.
- **Representatives of Full Member Schools with >5 Full-time Faculty** - Two at-large seats. These representatives will be individuals listed on the roster of faculty provided to ACSP by the full member schools that are not in Categories 2 and 3 above.

The Process of Voting

- Email messages are being delivered to all Individual and Retired Members in good standing with the Association today, May 3. The message will provide a link to an ACSP web page to vote. The member will be required to log-in to vote for the candidates standing for the election to this seat.
- Separately, email messages are also being delivered today, May 3, to each of the chairs of schools that are represented by the three new institution categories. Links will be provided to
vote only for the candidates within the category for their school. Chairs will assess the considerations of their faculty and submit a unified vote accordingly.

- The deadline to vote is May 30, 2022. The election results will be shared in June 2022.

Questions about Voting or your Ballot?

If you have questions about voting or accessing your ballot, please direct those to Donna Dodd, ddodd@acsp.org.

Nominating and Elections Committee

We are happy to respond to any questions regarding these seats or the new process of categorical representatives.

- Chair: Marlon Boarnet, University of Southern California, boarnet@usc.edu [2021-2023]
- Stacy Harwood, University of Utah, harwood@arch.utah.edu [2021-2023]
- Joseli Macedo, Dalhousie University, joseli@dal.ca [2021-2023]
- Catherine Ross, Georgia Institute of Technology, catherine.ross@design.gatech.edu [2021-2023]
- Anaid Yerena, University of Washington Tacoma, yerena@uw.edu [2020-2022]

Weekly Highlights

Now Accepting Nominations for the ACSP2022 Awards

Now is the time to nominate your outstanding faculty and students for the ACSP2022 Awards! Nominations will be accepted through June 1. Winners will be honored as part of the ACSP Annual Conference. Don't delay, submit your nomination today!

2022 Best Paper Award in Planning & Entrepreneurship

In partnership with the Ewing Marion Kauffman Foundation, ACSP is pleased to announce two annual awards for promising research studying the connections between planning and entrepreneurship.
The purpose of this award program is to encourage innovative, insightful and timely research in city, community, urban or regional planning that is relevant to questions related to entrepreneurs and their firms as well as to practitioners and policymakers who want to promote entrepreneurship. Research that has direct practical implications and addresses pressing economic and/or social problems is especially appropriate for these awards.

A total of $3,000 in prize money will be awarded. Learn more here.

Fun Facts About Toronto - ACSP Conference Host City

The Toronto Transit Commission is the third-largest public transit system in North America with over 200,000 people passing through Union Station on a standard business day. View more Fun Facts on our website.
