NOMINATE ACSP VICE PRESIDENT / PRESIDENT ELECT BY JULY 31

Dear Colleagues,

With the pending move to the University of Pittsburgh by current ACSP Vice President/President Elect Carissa Slotterback, ACSP will be holding a special election to choose an officer to fill the remainder of her term through October of 2021, who then transitions to the ACSP President for 2021-2023.

On behalf of the Nominating and Election Committee, I would like to invite nominations and self-nominations for this position. You can do so through this form, and the committee will reach out to you about a ballot statement if your form is completed by Friday, July 31. We anticipate that the special election will take place in August.

Per ACSP Bylaws, only faculty members in schools that are Full Members of ACSP can stand for election as officers. You can also see key responsibilities of the Vice President/President-Elect in section 6.C.2 of the Bylaws.

The association depends on the volunteer work of many colleagues, a treasured tradition of ACSP.

So many thanks in advance for nominating someone for this critical position of leadership.

Sincerely,

ACSP President
