WELCOME NEW & RE-ELECTED BOARD MEMBERS

Each year, a Call for Volunteers is shared with the member faculty. This call includes upcoming open seats for track chairs, committee positions, award committee positions and seats for the Governing Board. The response to the call initiates the preparation of a slate of candidates for the Governing Board prepared by the ACSP Nominating and Elections Committee. Submitting a collective decision by their faculty, department and program chairs of full member schools voted the following faculty into position beginning in the Fall of 2021.

Please join us in welcoming our new and re-elected board members! We thank you all for your service.

The following officers, elected in the Spring of 2021 officially began their leadership terms October 21, at the Annual Business Meeting of the Association held during the conference.
