

# Learn About Mobility Solutions and Earn CEU Credits for Free

## Comprehensive Automotive Mobility Solutions (CAMS) Course for Healthcare Professionals

The National Mobility Equipment Dealers Association (NMEDA) is offering an introductory level online CE course to help healthcare professionals understand automotive mobility solutions for patients with disabilities. By learning about automotive vehicle modifications, health professionals will be able to suggest options for caregivers or patients who want to drive but need accommodations. Topics covered include learning about NMEDA's Quality Assurance Program (QAP), evaluating conditions of patients and matching them with an appropriate automotive mobility solution.

### NMEDA's CAMS Course is:

- Offered online, for your convenience
- AOTA, ADED, CCMC pre-approved for **.3 CEU** (3 hours)

**FREE**  
**FOR ALL**  
**ATTENDEES**
