Mission Statement:
The Academy of Dentistry International is an honor society for dentists dedicated to sharing knowledge in order to serve dental health needs and to improve the quality of life throughout the world.
How can you help?

A Dental Honor Society

The Foundation, as a 501(c)3 nonprofit corporation, is dependent on voluntary contributions to support its worldwide philanthropic programs. We need your help to improve the oral health and well-being of people worldwide.

Your contribution may be given directly or through estate planning. Consult your tax professional regarding the best avenue for you to obtain the tax advantages and help us to help others.

The Academy of Dentistry International is dedicated to the advancement of the dental profession by the elevation of the dental care standards through continuing education. By the support and sponsorship of special education and service projects, the Academy directly contributes to the improvement of dental health and to the well-being of people worldwide.

- Supporting prevention and treatment of oral disease
- Advancing the art of science of dentistry
- Encouraging, stimulating and promoting research
- Encouraging and promoting service projects
- Promoting the international exchange of information
- Promoting continuing education for health care providers.

A Fellowship in the Academy of Dentistry International is a distinctive honor that is bestowed on dentists who have contributed to society in ways such as service to the profession, public, or mankind.

A candidate must be nominated by a Fellow of the Academy. Fellowship is bestowed at an impressive Convocation ceremony. The Academy has members in 61 nations.

The Academy and its Foundation select programs and projects for grants at the request of the international dental education facilities, dental organizations, and associations and other international humanitarian/volunteer organizations.
