

**ANNUAL KANSAS CITY
SPECIALTY GEOTECHNICAL SEMINAR 2013**
Friday, January 11, 2013

**Note Returning to Previous Location:
Burns & McDonnell
9400 Ward Parkway
Kansas City, MO 64114**

Ground Improvement – Technologies and Advancements

Sponsored jointly by the American Society of Civil Engineers, Kansas City Section – Geotechnical Committee, Association of Engineering Geologists, Kansas City – Omaha Section and University of Missouri at Kansas City, Departments of Geosciences and Civil Engineering.

The theme for the 2013 specialty conference is **Ground Improvement – Technologies and Advancements**. It is intended to be of interest not only to geotechnical, civil, and structural engineers as well as those who specialize in the field, but also designers and contractors involved with all types of civil engineering projects.

Presentations to Include *

George Burke, PE	Recent advances in QA and QC of specialty foundation techniques using electronic DAQ	Hayward Baker, Inc
Aaron J. Gaul, P.E.	Ground Improvement Innovations and Case Histories	Ground Improvement Engineering
Dr. Tanner Blackburn, PE, Leed AP	Static and Seismic Design of Aggregate Piers	Hayward Baker, Inc
Dr. Jian Chu	Soft Soil Improvement using PVDs with Fill or Vacuum Preloading	Iowa State University
Dennis W. Boehm	Soil Mixing and Jet Grouting	Hayward Baker, Inc
Dr. Jie Han, Professor, PE	Recent Advances of Column Technologies to Improve Soft Foundations	The University of Kansas
Jeffrey Hill, PE	Geotechnical Risk	Hayward Baker, Inc
TBD	TBD	The Judy Company, Inc

*Program is subject to change.

Annual Kansas City Specialty Seminar 2013

Company: _____

Address: _____

CSZ: _____

Phone: _____

Email: _____

Number of Registrants: _____

Attendees: _____

(attach additional names, if needed)

Enclose: \$175.00 per person,

\$200.00 after January 4, 2013

\$10.00 per student

Registration Fee Includes: Continental Breakfast, Lunch, and Breaks
Professional Development Hours (PDH) available for attending.

Make Checks payable to ASCE and Mail to:
