"Generosity is giving more than you can" Khalil Gibran

Dear Friends and Colleagues,

As an English major, I always enjoyed finding the perfect quote to add into my papers. I felt that there was always one that could express exactly what I wanted to say, but more concisely and more eloquently. I believe Gibran's words above provide the best backdrop for this annual report.

This past year was the most successful year in AFA Foundation history. We raised nearly 110,000.00 dollars, and we were able to give out \$6,180 dollars in scholarships. That happened only because of your generosity- because you gave more than you could.

Our endowments quadrupled in size thanks to gifts from interfraternal partners such as Gamma Phi Beta, Sigma Sigma Sigma, and Gamma Sigma Alpha.

We were also blessed with the largest pledge to date when Beta Theta Pi stepped up to the microphone to announce a gift of \$50,000 over ten years.

Many individuals also contributed more than they could. Our average gift amount went up 24%, and we had 146 new donors this year. Because of this we were able to give more scholarships and grants than ever before.

Gibran's quote resonates with me so strongly because your generosity came at the worst economic time in recent history. I am grateful and I am humbled.

And I can promise you this: Your generosity will not go to waste. We will manage the assets very carefully, and continue to provide the most impact to our profession through grants, scholarships, and research. You deserve that much when you give more than you can.

In closing, I look forward to seeing you at some point this year. I want to be able to shake your hand and thank you personally.

Humbly yours,

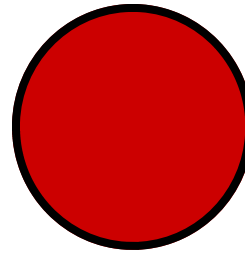

A handwritten signature in black ink, appearing to read "Thomas B. Jelke". The signature is fluid and cursive.

The Amicus Sequentes Circle

The Amicus Sequentes Circle honors those who leave a legacy for the future of the Association of Fraternity Advisors through specific gifts or bequests to the Association of Fraternity Advisors Foundation.

This year, the Association of Fraternity Advisors Foundation announced the charter members of its newly established planned giving society. This dedicated group will be known as the *Amicus Sequentes Circle*, or “friends to those that follow” in the Association of Fraternity Advisors.

The reason the AFA was established remains vital today - that is to enhance its members’ ability to create fraternity and sorority experiences that positively affect students, host institutions and communities.

In order to enhance AFA’s financial viability long-term, this dedicated group of AFA advocates known as the *Amicus Sequentes Circle* has included the “Association of Fraternity Advisors Foundation” as a beneficiary in their will, life insurance policy or retirement plan.

Have you done the same? If so, and you have not notified the Foundation, please do so, and you will be recognized as a member of the *Amicus Sequentes Circle*. Members will be listed in AFAF annual reports or, if you wish, you may request anonymity.

This is an opportunity to make a statement about your personal values... have the satisfaction of perpetuating an important cause for future generations... express your intent to support AFA by arranging for a generous planned gift during your lifetime. Please join us!

These are all reasons why we make charitable gifts to organizations and movements we believe in. The Foundation’s Board members and staff welcome your inquiries and will assist you in becoming a member of the new *Amicus Sequentes Circle*!

The Association of Fraternity Advisors Foundation, incorporated in 1992, was founded with the following as its purpose:

- To enhance the mission, understanding and techniques of advising college fraternity groups.
- To support educational and instructional portions of inter-Greek and Greek-related organizations.
- To provide funding in support of scholarships and fellowships.
- To do anything incidental to or in furtherance of the foregoing.

Why Should You Support the AFA Foundation?

Because we believe fraternity/sorority professionals and volunteers are valuable in higher education and are essential to the interfraternal movement, the mission of the Association of Fraternity Advisors Foundation is to obtain and provide ongoing financial support and resources in an effort to aid the Association of Fraternity Advisors in the fulfillment of its educational objectives. We hope that you will join us in fulfilling this mission in 2009!
