# A Donor Bill of Rights

**PHILANTHROPY** is based on voluntary action for the common good. It is a tradition of giving and sharing that is primary to the quality of life. To ensure that philanthropy merits the respect and trust of the general public, and that donors and prospective donors can have full confidence in the non-for-profit organizations and causes they are asked to support, we declare that all donors have these rights:

## I.

*To be informed of the organization's mission, of the way the organization intends to use donated resources, and of its capacity to use donations effectively for their intended purposes.*

## II.

*To be informed of the identity of those serving on the organization's governing board, and to expect the board to exercise prudent judgment in its stewardship responsibilities*

## III.

*To have access to the organization's most recent financial statements.*

## IV.

*To be assured their gifts will be used for the purposes for which they were given.*

## V.

*To receive appropriate acknowledgement and recognition.*

## VI.

*To be assured that information about their donations is handled with respect and with confidentiality to the extent provided by law.*

## VII.

*To expect that all relationships with individuals representing organizations of interest to the donor will be professional in nature.*

## VIII.

*To be informed whether those seeking donations are volunteers, employees of the organization or hired solicitors.*

## IX.

*To have the opportunity for their names to be deleted from mailing lists that an organization may intend to share.*

## X.

*To feel free to ask questions when making a donation and to receive prompt, truthful and forthright answers.*

## BE the CAUSE

### About:

AFP Foundation for Philanthropy has an individual giving program – the BE the CAUSE Campaign (formerly the Every Member Campaign). Your support helps to advance the fundraising profession globally and locally, through the Greater Houston Chapter. A portion of every donation made to the AFP Foundation directly benefits our chapter. Please visit [afpnet.org](http://afpnet.org) for more details about the campaign. *For those of you who have supported the campaign in the past or plan to support it this year – thank you! You are the best of the best; fundraisers who are also philanthropists!!*

### Why Give:

Your gift helps to support:

- Professional tools and resources like the AFP Online Knowledge Center and the AFP Ethics Assessment Inventory
- Research to increase knowledge of philanthropy for effective fundraising practices
- Scholarships for education and training programs, and leadership development
- Most importantly, a portion of every donation YOU make to BE the CAUSE comes back to our chapter helping to support: monthly educational programs and luncheons, networking opportunities with membership mixers, webinars, etc.

### Donate:

Visit [afpnet.org](http://afpnet.org) to make a gift. If you have any questions, please contact the AFP-GHC office at [admin@afphouston.org](mailto:admin@afphouston.org).

Be committed to the cause and pay it forward!
