Dear AFPA Members and Sponsors,

We appreciate your membership and sponsorship of the Association for Financial Professionals of Atlanta (AFPA).

Your health and safety is of great importance to us. Based on the current environment, pandemic and unrest, the AFPA Board of Directors voted last week to hold our 14th Annual Education Day, slated for Wednesday, August 19, 2020, in a virtual environment. Instead of holding a day-long conference, we will host a series of free, weekly, live webinars. We are also cancelling our monthly meetings scheduled for September 16 and November 18.

We are currently finalizing speaker engagements for the remainder of the year and will share this information with you as soon as possible and also display on our website: <https://www.afpofatlanta.org>

If you have not done so recently, please update your member profile and contact information by logging into your Member Profile on the right hand side of the home page. If you are not a member, why not join? The cost for a regular, single membership is \$299.00 per year and the cost for a group membership (5+ members of the same company) is \$249.00 per year.

Registration is required to attend a webinar. Education Day and monthly webinars are free to AFPA members and \$10.00 per webinar for non-members.

For those of us who were looking forward to a live Education Day, we hope you will consider joining us virtually to earn continuing education credits for your CTP and FP&A designations. Although we will miss the social aspect of the conference, visiting and catching up, there are many advantages of going virtual:

- No traffic
- No travel
- No parking fees
- A shorter learning day
- Less interruption to our work schedule
- The opportunity to earn more continuing education credits
- No social distancing or fear of exposure to the virus
- Join from anywhere by downloading the Zoom App for free, and join the webinar with one click of your mouse, your I-Phone or your I-pad, or you may dial in from a telephone

We appreciate your support and thank you for your patience as we finalize our plans for the remainder of 2020!

Sincerely,

James F. Lock III, President
