

About the instructor

Brendan McGrath is the Director of Corporate Risk Management for North America at Western Union Business Solutions. Based in Victoria, B.C., Brendan started his career as a FX trader and has since moved in a management role, overseeing the hedging business across North America. He leads a team of 8 professionals that help businesses of all sizes identify FX risk and optimize their hedging strategy. He has a bachelor's degree in economics and international business from the University of Western Ontario, and is a CFA charter holder.
