REMOTE WORKING
FOUR TOP TIPS

BEING EXPLICIT
In a remote situation everything that needs to be shared needs to be shared explicitly.

MEANINGFUL ENGAGEMENT
We are all motivated by different things but feeling valued and getting things done are known to be key motivators.

AWARENESS OF ACTIVITY
Kanban boards and status boards abound in most agile settings, providing that all-important sense of achievement and moving forwards.

PROACTIVE LEADER
It’s important that leaders are sensitive to the need to find the right balance in terms of communication and support.
