To the best of my knowledge no copy of its First Settlers’ List has been found and published. Anyone learning of such a document, please let us know immediately. Gary Martens is the AHSGR Schilling Village Coordinator. The following is a list of folk who may well have been among the Schilling First Settlers. A number following the given name indicates their location in the 1775 Schilling census which would have included a few folk who first settled in some other colony. Two letters with a following number (e.g.An21is #21 in Anders) indicate a person in the 1798 census who in the indicated village carried the note “from Schilling”, and I have not found the family in any other FS:
