

SWELL

SECOND WEDNESDAY ENGAGEMENT LUNCH & LEARN

Providing a forum in Wyoming for those with an interest in Building Science, Systems, and Design. To increase awareness of building details and building enclosure design as a critical aspect of the successful construction of buildings and to foster the education of building industry professionals regarding proper design, construction, and maintenance of building enclosures.

Presented by AIA Wyoming's Education & Resources Committee and Membership Development Committee. Lunch Presentations executed by industry partners, trades partners, and AIA WY Architect members.

WHEN:

Wednesday, September 13th, 2023
12:00 - 1:00 PM

WHERE:

Winters Griffith Architects
211 West 19th Street Cheyenne, WY 82001

WHO:

Patrick Dunleavy, Business Development Manager USA, with Eureka Lighting

COURSE DESCRIPTION:

Architectural Decorative Lighting in an SSL World

Registered for (1) LU|HSW credit with AIA. Here is a brief description: The role of decorative lighting is evolving with the advent of Solid-State LED lighting. From colorful, decorative elements to fully functional architectural IoT devices, we will explore the fixture design process as it has evolved in the last 10 years and finish with a discussion on how we can best serve the lighting, interior and architectural design communities with relevant and innovative lighting.

RSVP:

Space is limited so reserve your spot today!
