

DESIGN BOOK LAUNCHES *50 US ARCHITECTS: RESIDENTIAL + PLANNING* HARDCOVER BOOK FEATURING CARNEY LOGAN BURKE ARCHITECTS

Friday, March 9, 2012, Miami Beach, Florida.

50 US Architects: Residential + Planning, a new hardcover book written by award-winning author Damir Sinovic and published by Design Book was unveiled on Friday, March 9, 2012 at an exclusive book launch event hosted by the Bass Museum of Art on Miami Beach, Florida. Guest speakers included Guy Peterson, FAIA, Principal of Guy Peterson | Office for Architecture and Roger Ferris, AIA, RIBA, Principal of Roger Ferris + Partners.

50 US Architects: Residential + Planning presents a curated collection of award-winning residential and master planning work from leading American designers whose philosophies are rooted in the modernist doctrine or are distilled from vernacular precedents. Meticulously detailed and site-specific, the featured projects focus on sustainability, technology, and the human spirit. Award winning designers from all 50 states are included in the publication and Carney Logan Burke Architects was selected to represent the state of Wyoming.

From Los Angeles, California, to Milan, Italy, over 200 well known architects, interior designers, design aficionados, and special guests came to Miami to attend the book launch event which consisted of a VIP champagne reception, a lecture, a cocktail party, and a book signing.
