# 2017 DESIGN AWARDS

Shaping Our Communities  
Through Design Excellence

**Sponsorship Opportunities**

# 2017 Design Awards Sponsorship Opportunities

Select the AIA Honolulu Design Awards Celebration as your firm's premier event  
– *and become a part of our annual sponsorship program*

The AIA Honolulu's Annual Design Awards is Hawaii's oldest program of its type, held annually since 1958. It provides an avenue for member architects to be recognized by their peers for their effort and dedication to excellence in architecture. The competition culminates in a gala awards celebration to recognize the winners and all of our distinguished entrants, attracting more than 250 members and affiliates.

**Why Should Your Firm Sponsor our Design Awards? Networking, Exposure, Brand Building.** Sponsors have a unique opportunity to be associated with a highly successful design competition and demonstrate both internally and externally their commitment to the progress of design. They are able to connect with some of the most influential designers and develop on-going business relationships with them and their organizations.

**NEW Gala Location!** In 2017 we have chosen the icon **IBM Building Courtyard** for our Design Awards celebration, which is taking place on Saturday, September 16. It will be a fantastic event!

Take a look at our 2017 Design Award Gala sponsorship opportunities below and choose which option suits Your Firm! *As part of our annual sponsorship program your company logo will also be featured on the AIA Honolulu website for 12 months from sign-up date.*
