

# ARCHITECTS AUTODESK

MAY 2<sup>nd</sup>, 2018

4:30 p.m. to 6:00 p.m.

AIA CENTER FOR ARCHITECTURE

828 Fort Street Mall, Suite 100

Honolulu, HI 96813

## THE FUTURE OF ARCHITECTURE

Join us for a special event featuring guest speaker Scott Davis from Autodesk for a look at the updated Autodesk family of solutions for the architectural community.

Scott, along with U.S. CAD's Aaron Wagner, will be speaking about Autodesk's vision for the future of the AEC industry and how architects can continue to embrace new technology to stay at the forefront of the industry. Come see how the enhanced features in Revit 2019 and the newly redesigned BIM 360 platform can help you embrace modern design workflows.

Attendees are encouraged to bring questions for the Q&A with the speakers.

**Food and drink will be provided.** The event is free to attend, but please RSVP so we have an accurate head-count for refreshments.

## WHO SHOULD ATTEND?

This event is a great opportunity for architects to network with fellow members of the architecture and design community in Honolulu and learn from experts in the industry.
