CTD

The Impact Award recognizes team members including architects, designers, and other collaborators for an architectural project specifically designed to directly benefit social, humanitarian, community or environmental causes.

ELIGIBILITY

- Completed architectural projects attributed to or associated with an AIA Iowa member;
- Need not to be located in Iowa or intended for use in Iowa;
- An AIA Iowa individual member or firm member may submit an unlimited number of entries;
- Recognizable, positive impact on the intended community;
- Submitter must provide clearly-stated and thorough documentation of implementations and resulting impact. Provide reliable metrics to indicate quantifiable impacts. Data of a sensitive nature (e.g. specific dollar amounts) may be omitted;
- Awarded in one of two categories:
 - Professionals, built
 - Students, built or unbuilt;
- Project must have been completed within the last five (5) years.

SUBMISSION INFO

Submissions to be uploaded on IowaArchitecture.org
Each entrant will be sent instructions on how to submit their projects digitally. In order to establish a common basis for judging submissions, all data and graphic portions of the submittal must be completed online. It will be the entrant's responsibility to ensure that the submissions remain anonymous and are cleared for release by their respective photographers, architects, etc.

JURY

Respected professionals from the architectural community, outside the state of Iowa. The jury chair is selected, and they assemble a jury.
