AIA IOWA IMPACT AWARD 2022
"Very well resolved for being a service building on such a large scale"
"Curiosity and investigation, doing more than what the facility was set out to do"
"Process of outreach and understanding was incredibly inspiring. The project is educating all of its users as well as the architects that may never visit."
"Image of engagement, and process to come to the resolution of this concept is being communicated. Really embracing strategies of inclusive design"
"Everything that this projects stands for makes it feel like a very impactful project"
