**Mission Statement**
The American Institute of Architects is THE voice of the architecture profession And THE resource for its members in service to society.

**Vision Statement**
Through a culture of innovation, The American Institute of Architects empowers its members and inspires creation of a better built environment.

**Good Design Makes A Difference**
For over 150 years, members of the American Institute of Architects have worked with each other and their communities to create more valuable, healthy, secure and sustainable buildings and cityscapes.

**The American Institute of Architects**
AIA is the professional association for architects and design professionals. When you see the designation “AIA” following the name of an architect, it means that he or she is a fully licensed and registered architect who upholds the highest standards of ethics and professional practice. It means that he or she is a member of The American Institute of Architects and they are dedicated to providing quality design, safeguarding the public and improving our built environment.

The American Institute of Architects was created in 1857. For over 150 years the organization has provided education, government advocacy, community development, public outreach activities and has endeavored to create an environment that is responsive to the people it serves.

As members of the AIA, more than 90,000 licensed architects and associated professionals express their commitment to quality design and livability in our built environments.

The public policies and position statements of the Institute are available, along with an abundance of information on the history and purpose of the organization on the national website located at www.aia.org.

For further information or to become a member please contact the AIA Nevada office at 702-483-3838, or visit our website at www.aianevada.org, or the AIA National website at www.aia.org.

MISSION STATEMENT

To unite the AIA membership in the State of Nevada in fellowship

To lead legislative efforts on behalf of all architects in the State;

To engage the public with a unified voice and create a better understanding of architecture and the built environment;

To ensure that the health, safety and welfare of the public is protected through legislative efforts;

To recognize excellence in design and service to the profession and the community.

### MISSION STATEMENT

**Advocate**
Advocate for the profession on the local, state and national levels

**Educate**
Educate the profession by providing knowledge

**Engage**
Engage local communities through collaboration and outreach

**Empower**
Empower members with professional growth

**Advance**
Advance a highly-respected and effective AIA Chapter
The next issue of the AIA Las Vegas Directory & Resource Guide will be available soon so be sure to update your firm profile to make sure that your listing is correct.

With our new website, we have added several new fields that will assist clients in learning about your firm and what you offer.

**Just follow these steps:**
1. Go to www.aialasvegas.org
2. *Log in where indicated in the middle right of the home page.*
3. Once logged in, go to the menu option of “Find a Member or Firm”
4. Select “Update Your Profile”
5. Your Firm Profile will appear. You can now make your changes
6. When completed click “Submit” at the bottom of the page
7. Logout of the system when you are finished

*To get your username/password, email Kelly Lavigne at klavigne@aianevada.org*

**Firm Philosophy:** Daniel Joseph Chenin Ltd. is a boutique multidisciplinary design studio with a focus on residential, hospitality, and commercial design. The company was born out of the desire to offer clients a premium source for design services, whether artfully-crafted architecture, thoughtful interior design, or both, including sourcing and installation. Our team is composed of seasoned professionals with decades of local, regional, and international project experience. While the consistency of the firm’s approach is in its timeless detailing and refinement, each project begins without a preconceived notion. Rather, each is a study into the client’s objectives, as well as the physical and theoretical context of the project. We work on a limited number of projects at a time, with tailored service during each phase; which can include architecture, interiors, structural, mechanical, electrical, plumbing, landscape, and civil design. Each commission is thoroughly evaluated to ensure that we are the proper fit for the project and our clients’ objectives. We believe that a collaborative relationship between all parties is essential to create a truly bespoke product. Daniel Joseph Chenin, Ltd. is certified as a Tier I Local Emerging Small Business (ESB) by the Nevada Governor’s Office of Economic Development (GOED).

Firm Philosophy: “Excellence” On Time, On Budget, On Purpose! Adherence to client needs, schedules, deadlines, team orientation, and project construction budgets has resulted in long-term relationships with our clients throughout the West. GGWArchitects has made a deliberate effort, over its 50 years, to establish a positive rapport with local governing authorities. We provide a working knowledge of special considerations unique to the Las Vegas area and its environmental conditions and code regulation requirements. We provide architecture, engineering, site planning, interior design, management, and administrative services to clients, using the “Team” concept in our design philosophy. Our primary purpose is to lead and orchestrate a team of knowledgeable and committed participants, working in concert to synthesize a design solution that will satisfy the diverse needs and concerns of the client, and the staff that will occupy the building, and the community.

Larry and A.J. have been working together since 1996 and collectively represent a combined 40 years of architectural service in Las Vegas with a career focus on the Healthcare, Commercial and Public markets. Our goal is the creation of intelligent architecture that belongs. An intelligent design is one that becomes an active participant in its use. This means a space that actively increases productivity, promotes healing, encourages learning or even helps sell products or services. An architecture that Belongs is one that is appropriate for its context, its use and occupants, its owner's budget and its local climate. We strive to provide innovative, intelligent and intuitive design, implemented practically, with an emphasis on excellent client service.

Marnell Architecture
222 Via Marnell Way
Las Vegas, NV. 89119
Ph: 702-739-2000
Web: http://marnellcompanies.com
# of Employees: 50

Firm Philosophy: Uniting form with function, Marnell Architecture represents the leading resource in the search for optimal property development, master planning, operational integration and design to position developments for success on a global stage across a variety of stakeholder metrics. The strength of Marnell Architecture lies in the experience obtained from the creation of millions of square feet in casino, resort, hotel, commercial, retail and entertainment developments over the last four decades. Working as an integrated force within the Marnell Companies, Marnell Architecture is uniquely qualified to create the architecture and design that not only responds to the market and owner’s project requirements, but also allows for effective constructability, operational efficiencies and future expansion capabilities. Marnell Architecture provides professional design services throughout the United States and abroad. Regardless of location, the Marnell approach remains focused on owner success in the form of customer experience, optional efficiency, property aesthetics and budget management. At Marnell, ideas are valued in the context of owner realities. From concept through creation, the ideas driving owner success pervade the project plan, positioning developments advantageously in the marketplace.

# of Employees: 65
Firm Philosophy: We believe it is not through individual ego that great architecture is generated, but instead, through collaboration. The people who live and work in the places we make will have a more intimate relationship with our buildings than we will. We measure ourselves through our ability to make buildings that are filled with spaces that inspire our clients and comfortably fit their values, needs, resources, and expectations of use. Our approach to architecture is modern and through our efforts, we strive to find beauty in what is common and readily available to a given site. We favor opportunities that reveal the overlooked beauty of a surrounding landscape, that capture seasonal changes, that engage the climate to produce architecture that is simple and yet much greater than the sum of its parts. Recent major projects include: the Las Vegas Convention Center; McCarran International Airport D Gates; Springs Preserve Visitor Center; CCSD North East Career and Technical Academy; UNLV School of Medicine; Southend on Water; Regional Justice Center; and B-Tech Towers

The next issue of the AIA Las Vegas Directory & Resource Guide will be available soon so be sure to update your firm profile to make sure that your listing is correct.

With our new website, we have added several new fields that will assist clients in learning about your firm and what you offer.

**Just follow these steps:**

1. Go to [www.aialasvegas.org](http://www.aialasvegas.org)
2. *Log in where indicated in the middle right of the home page.
3. Once logged in, go to the menu option of “Find a Member or Firm”
4. Select “Update Your Profile”
5. Your Firm Profile will appear. You can now make your changes
6. When completed click “Submit” at the bottom of the page
7. Logout of the system when you are finished

*To get your username/password, email Kelly Lavigne at klavigne@aianevada.org*

Our ancestors knew that we needed ingenuity, creativity and strength to survive. Even though we aren't hunting in the plains or building rough structures, we are building and protecting employees, families and loved ones, which is as complicated as ever. With advancement in science and technology things are moving at lightning speeds with some of the greatest opportunities ahead. Working as a community and adapting to change we will do more than just survive, we will leave a mark for generations to come.

As your preferred insurance provider, we make the proper adjustments to protect your business and cover it's liability. We are leaders in insurance products and services for architects and engineers with over 60 years of specialized experience. From loss prevention to risk management, we strive to build long-term relationships with a foundation built on trust and commitment.

Company Description: FEA Consulting Engineers is among the largest Mechanical and Electrical engineering firms in the State of Nevada. We have been doing business for over 20 years. Our projects range from multi-million dollar resort casinos to large custom residential homes. FEA also has had experience in prototypical designs that have allowed owners to benefit from enhanced Building Automation Systems, as well as cost saving initiatives. FEA has gained experience in "Green" building design by being involved in the Las Vegas community to help bring forward legislation allowing casinos and resorts to be considered eligible for LEED accreditation status. Currently, FEA has completed the design for the Nevada State Museum Building, Des Palines Casino and The Cosmopolitan Hotel and Casino mixed-use project, All of which will be LEED Silver Certified designs. We have on staff, LEED accredited design professionals whose expertise aids in the collaboration required by the Design Team, Owner and Contractors to bring these projects to fruition. As a corporate member of the United States Green Building Council (USGBC), FEA Consulting Engineers is fully committed to promoting sustainable building construction technology.

Kordt Engineering Group
1701 W. Charleston Blvd., Suite 610
Las Vegas, NV. 89102
Ph: 702-483-6666
Web: http://www.kordtEG.com
Specialty or Product Type: Structural Engineers
Company Description: Kordt Engineering Group (KEG) was founded in 2013 by Stephan Kordt, a licensed Civil and Structural Engineer with over 25 years of experience in a variety of roles including design engineer, project manager, project principal, project director and Engineer of Record (EOR). Prior to establishing KEG, Stephan spent 8 years developing his skills as a Project Manager at Martin and Peltyn and an additional 8 years as Project Principal and Engineer of Record for Halcrow Yolles in Las Vegas. In 2013, Stephan left his position at Halcrow Yolles to follow the American Dream and start his own business. This transition satisfied his goal to provide innovative, excellent and timely structural engineering services to new and existing clients across the United States and around the world. Since its inception over 8 years ago, KEG has grown to a team of talented engineers and CAD operators with more than 250 years of combined design and drafting experience. KEG has had the privilege of working with numerous architects, contractors, owners and consultants from across the globe. As new endeavors develop every day, the company strives to maintain its reputation for delivering quality projects under strict deadlines while still providing unparalleled customer services. In 2017, Ted Droessler, PE, joined KEG as Senior Vice President. Ted was previously in-charge of the structural and geotechnical plans examiners at the Clark County Building Department. Recent Projects: Nomad Hotel Tower & Low-rise Retrofit, Sandy Valley School, Multiple High End Residences at The Summit, Las Vegas Raiders Stadium Roof, Park MGM Tower Renovation, Skinny Fats Restaurants, Espinoza Terrace Modernization, I Love Sugar at The Linq, Sunrise Hospital Expansion, Multiple Projects for UNLV, EOR Services for The Miracle Mile Mall, EOR Services for The Crystals Mall, Watermark Henderson, Multiple 7-Eleven Remodels/Renovations

Specialty or Product Type: Building Materials Sheet Membranes & Shower Accessory Products  
Company Description: For over 50 years, Noble Company has pioneered the use of sheet membranes in the tile and stone industry. At the heart of all Noble systems is a core layer of Chlorinated Polyethylene (CPE), an inherently flexible elastomeric sheet that will not rot, crack, or deteriorate due to microorganisms. Our sheet membranes are available for waterproofing, crack isolation, and sound reduction. Also available are shower pan liners, drains, niches, benches, curbs, adhesives, and sealants. Our products have been installed in some of the most high-profile, prestigious properties around the world like City Center, Las Vegas, NV; Burj Kalifa, Dubai, UAE; Laguna Honda Hospital, San Francisco, CA; and Atlantis Resort & Hotel, Bahamas. Noble Company is an authorized provider of AIA and IDCEC/ASID Continuing Education Courses. Member of AIA, CSI, RCI, USGBC, TCNA, NTCA, CTDA, NKBA, TCAA MMSA, MIA, RPA, and CTEF.

Need to update your firm profile?

Do it online today!

The next issue of the AIA Las Vegas Directory & Resource Guide will be available soon so be sure to update your firm profile to make sure that your listing is correct.

With our new website, we have added several new fields that will assist clients in learning about your firm and what you offer.

Just follow these steps:

1. Go to www.aialasvegas.org
2. *Log in where indicated in the middle right of the home page.
3. Once logged in, go to the menu option of “Find a Member or Firm”
4. Select “Update Your Profile”
5. Your Firm Profile will appear. You can now make your changes
6. When completed click “Submit” at the bottom of the page
7. Logout of the system when you are finished

*To get your username/password, email Kelly Lavigne at klavigne@aianevada.org

Need to update your firm profile?

Do it online today!

The next issue of the AIA Las Vegas Directory & Resource Guide will be available soon so be sure to update your firm profile to make sure that your listing is correct.

With our new website, we have added several new fields that will assist clients in learning about your firm and what you offer.

Just follow these steps:
1. Go to www.aialasvegas.org
2. *Log in where indicated in the middle right of the home page.
3. Once logged in, go to the menu option of “Find a Member or Firm”
4. Select “Update Your Profile”
5. Your Firm Profile will appear. You can now make your changes
6. When completed click “Submit” at the bottom of the page
7. Logout of the system when you are finished

*To get your username/password, email Kelly Lavigne at klavigne@aianevada.org
