

Project Architect

LG Architects (LGA) is currently looking for a creative Project Architect to join its dynamic process-driven firm located within the heart of vibrant downtown Las Vegas, Nevada. The successful candidate will have a minimum of five to ten years of experience. An architectural degree and license is required. The ability to work fully in or willingness to learn ArchiCAD to model, design, and document is necessary. The candidate must exhibit strong presentation, leadership, design, and technical skills.

At LGA, we believe that, together, we can work to create public spaces that unite the community, connect the surrounding environment and create connections that endure for generations.

LGA is a highly collaborative firm and the candidate's ability to work closely with team members, clients, and consultants is essential. The responsibilities of the candidate will be for design and technical leadership of varying size projects. LGA's work is highly sustainable and focuses on creating excellent customer and visitor experiences. The ability to manage public sector projects is essential. Salary is dependent upon qualifications. LGA provides a competitive benefit package and excellent work environment.
