

## Project Manager

LG Architects (LGA) is currently looking for a creative Project Manager to join its dynamic process-driven firm located within the heart of vibrant downtown Las Vegas, Nevada. The successful candidate will have a minimum of ten years of experience. An architectural degree is required and architectural license is preferred. The understanding of the BIM design process is necessary. The candidate must exhibit strong leadership, design, and technical skills.

At LGA, we believe that, together, we can work to create public spaces that unite the community, connect the surrounding environment and create connections that endure for generations.

LGA is a highly collaborative firm and the candidate's ability to work closely with team members, clients, and consultants is essential. The responsibilities of the candidate(s) will be in project management of varying size projects. LGA's work is highly sustainable and focuses on creating excellent customer and visitor experiences. The ability to manage public sector projects is essential. Salary is dependent upon qualifications. LGA provides a competitive benefit package and excellent work environment.
