The **AIA Nevada Architecture Firm Award** is the highest honor that the AIA Nevada Chapter can bestow upon an architecture firm. It is awarded to recognize a firm that has consistently produced distinguished architecture over 10 or more years; has shown a commitment to the American Institute of Architects and the profession of architecture during that time; and has been of service to the community in which they are located.

**Eligibility**

Any architecture firm that has not received this award in the last 10 years, located in Nevada, whether an individual or an organization of architects, is eligible for this recognition. Continuing collaboration among the individuals of the firm should be the guiding principal force in consistently producing distinguished architecture. The firm should also have evidenced a commitment to the AIA elevating the profession of architecture and to being of service to the community in which they are located. No more than one Architecture Firm Award shall be given in any year. Firms are only eligible to receive this award once every 10 years.

**Criteria**

Candidates will be evaluated on how well they meet the program criteria which may include:

- The firm shall have evidenced a cumulative effect on the profession of architecture and the AIA for at least 10 years.
- The firm shall have influenced the direction/profession of architecture.
- The firm’s work shall be a product of a collaborative environment that has consistently directed itself toward the future as well as respectful of the past.
- The firm shall have evidenced the ability to transcend specific areas of expertise or shall have made connections between areas.
- The firm shall be widely known by the quality of its projects and services to the community by those who practice architecture and by members of the design and architecture community.

**Additional Considerations**

Throughout the submission, where applicable and to the extent possible, you are encouraged to highlight aspects of the firm’s work or experiences that reflect contributions of special interest to AIA Nevada, to the Institute, its members and the architecture profession. These might include diversity, sustainability, or the mentoring of emerging professionals.
