AICC PRODUCTION LEADER ADVISORY GROUP

WHEN YOU INVEST & ENGAGE, AICC WILL DELIVER SUCCESS.
COLLABORATE WITH PEERS AND LEARN HOW OTHERS IMPLEMENT SOLUTIONS TO THE PROBLEMS YOU FACE EVERY DAY.

WHY JOIN

How many times have you wished you could confide with another, share ideas and receive honest feedback? How do you connect with peers for relevant advice?

Production Leader Advisory Groups are designed to include operations and production managers from AICC member companies. The group is open to all member companies regardless of location or market niche.

You will be part of a group marked by mutual trust, sharing of best practices and respectful disagreement, for the advancement of member company’s success, productivity, and for group members career development.

AICC specifically developed this program to:
• Exposure to exemplary manufacturers.
• Leadership best practices for attracting and retaining willing and capable employees.
• Skills and techniques for increased productivity.
• Coaching, feedback, and accountability for goal achievement.

RULES OF ENGAGEMENT

The group will adopt its own specific rules of engagement beyond these non-negotiables:
1. It will operate in compliance with Antitrust rules and regulations.
2. All discussions and meeting content is confidential.
3. Participant’s company’s senior manager will be informed of the participating companies and in the event that they object they will have the right to withdraw before the first meeting with a full refund.

SCHEDULE

• One meeting will be scheduled at or adjacent to AICC’s Annual Meeting, and during which SuperCorrExpo is held periodically.
• A second meeting will be scheduled to visit a participant’s exemplary manufacturing facility and may include presentations by topical experts. These will be 1 1/2 to 2 days in length.
• Eight online meetings will be held during the year and will include leadership and process improvement topics of interest, member reports on progress toward goals, and sharing of best practices.

MEET YOUR FACILITATOR

Scott Ellis, Ed.D, Principal WorkingWell, LLC
Dr. Scott Ellis is a leadership and process improvement specialist who serves on AICC’s faculty. He has served as a resource for development of individuals, teams, and organizations as a consultant, teacher, psychotherapist, coach, and general manager in the packaging industry for two decades. Scott’s pragmatic approach is focused on making it easy to do the right things right.
