

Dear AICI Colleague,

**“We make a living by what we get, but we make a life by what we give.”**

You are invited to join a heavenly band of financial supporters, the **AICI Angels** and **Cherubs**.

The monies collected from your generous contribution are used to support learning opportunities and provide image education for our members around the world. Our members deserve access to quality educational materials – especially for those unable to attend Conference. This year AICI has chosen educational Webinars to receive this support. A Webinar is a combination of a teleclass and an online seminar. Participants hear the presenter via telephone, and can see slides and other visuals on their computer.

All **Angel** funds are strictly member donations – gifts from the heart – from those who believe in and are dedicated to building and strengthening the AICI mission in the world and into the future. We are asking you to receive your first set of wings or renew the wings you received in past years.

We’ve added a new way to contribute. You can still be an **Angel** by contributing \$250 or more, or you can be a **Cherub** with a contribution of \$50 - \$249. **Angels** who reach a cumulative total contribution of \$1,000 or more are elevated to the status of **Archangel**.

Each year at the Annual AICI Conference, a private reception is held to recognize, thank and honor those who continue to give so generously to the **Angel Fund**. We would love to see you there and see your name added to our list of **AICI Angels, Cherubs and Archangels** to whom we owe so much. AICI’s Board of Directors sincerely thanks all of our **Angels** for making this endeavor and all future **Angel Fund** opportunities possible.

We hope you’ll be an **AICI Angel!** Be among the band of **Angels** providing the Source for Education, Experience and Excellence via Webinars this year!

Warmly,

Chair, Angel Fund
