

GLOBAL  
ENTREPRENEURS

# Recruit GLOBAL ENTREPRENEURS for your start-up

## Overview

Our Global Entrepreneurs program offers start-ups with the opportunity to connect with high-potential talent. By providing your startup with our global network to connect with young professionals, AIESEC can help grow your business and expand your reach across previously unavailable markets. Partnering with AIESEC transforms the way your business brings in and utilizes the best talent. Our program enables you to bring in a diverse team of international interns to develop your company with short-term projects. Empower your organization to realize its full potential with driven young leaders.
