How to Start a New Chapter

1. A minimum of two AIHM Premium Members are needed as co-leaders to form a local Chapter.
2. Co-leaders agree to be the main points of contact for AIHM staff, organize and plan chapter events, collect attendee contact info to provide to AIHM, and promote premium membership to local chapter participants.
3. Co-leaders complete and sign the [AIHM Chapter Agreement Form](#).
4. Once the form is received, the chapter will receive a "Group" on the AIHM website and SocialLink mobile app and will be connected to other local AIHM premium members through their group.
5. *Start planning your first event! Please submit event details using the [AIHM Event Proposal Form](#).*
