

Member Fees 2017-18

The Membership Fee is based upon opening day enrollment for the *prior* academic year. No distinction is made for part-time students.

The Membership Fee is calculated by multiplying a school's total enrollment by the annual per-student fee, which is approved by the membership.

For small schools, the minimum annual fee is \$1,000.

The Membership Fee is capped at 85% of a school's highest day tuition.

For 2017-18, the per-student fee is \$16.00.
