

AIMS Admissions notification dates

Our Baltimore/Annapolis area schools have a long tradition of seeking to maintain consistent, coordinated dates, and AIMS is happy to help support that effort.

Based on the collaboration and collegiality of AIMS Schools, admissions officers will mail decision letters and notify applicants via phone or email on the *recommended* February decision dates.

In the case of inclement weather, the notification dates and times will remain intact.

For 2020 admissions cycle:

All applicants (*including legacies and siblings*) may receive admissions notification starting at **4:00 PM on Thursday, February 20, 2020.**

- U.S. Mail - decision letters/packets mailed on Thursday, February 20, 2020.
- Email, phone, or personal delivery - notification sent no earlier than 4:00 PM on Thursday, February 20, 2020. As in the past, we ask that you not disrupt the school day by making phone calls to families during school hours, because families inevitably text their children and distract students from the academic work of the day.
- Return date for enrollment contracts two weeks later, on Friday, March 6, 2020

These dates follow a similar pattern to the dates from this year. We hope that these dates will serve our schools and, most important, our applicant families and their children.

Similar dates for consideration for future years would be as follows:

Year	Friday notification date*	Contracts returned (two weeks later)
2021	Friday, February 19th	March 5th
2022	Friday, February 18th	March 4th
2023	Friday, February 17th	March 3rd
2024	Friday, February 16th	March 1st

**email and mail on Thursday after 4:00 p.m. would still be applicable*
