There’s a better way to select a doctor

Choose your Kaiser Permanente doctor online at kp.org/doctor

Everyone has one. Every Kaiser Permanente doctor, that is.

More than 1,000 doctors now have their own online profiles, including adult primary care physicians, pediatricians, ob/gyns, cardiologists, orthopedists, radiologists, and so many more.

Doctors come from all different backgrounds. Find the one who’s best for you.

Online doctor profiles are a great way to learn more about Kaiser Permanente physicians. With many recognized in top doctor publications and Kaiser Permanente receiving the highest satisfaction scores,¹ you’re bound to find someone who is just right for you.
