

How do I change my password?

If you wish to update your password, log in to your membership profile. Select **Manage Profile** from the top navigation menu that appears after logging in.

Under the **Information & Settings** section, click **Edit Bio**.

Information & Settings

Edit Bio

Update your information and choose privacy settings for individual fields.

Preferences

View and manage preferences and notification settings for your account.

Named Members

View and manage current Named Members, send invitations.

This will take you to your membership profile page. Locate the **Password** field (third field) and select the link to **(change)**. Enter what you would like your new password to be, confirm it by retyping it and press **Submit**.

Edit My Member Profile

Below is the information you provided during the registration process.

Please Note: All information entered below will be visible to site administrators. Registered members will be able to view any information you enter, unless you set the visibility selector to **Private (not visible in profile)** next to the field you wish to be hidden. If your email address is **Private (not visible in profile)** it will not be displayed, but members can still contact you via email through the site's group email system if permitted by the group administrator. For a publicly accessible member type, site visitors will be able to view any field whose visibility is set as **Public (Visible to Everyone)**. To restrict fields to only registered members set the visibility for the field to **Member Only (Visible Only to Members)**.
