ABOUT US

The Boston Chapter of the Association of Legal Administrators serves around 180 Members, a diverse group of Directors, Office Managers and decision makers who represent most of the law firms in the greater Boston area.

Recognizing the importance of Business Partners to its membership, the Boston Chapter has designed a Business Partner Program that promotes the development of partnership opportunities between our firms and the businesses that service our industry and contribute to our success.

The comprehensive Business Partner program developed by the Boston Chapter gives Business Partners a unique opportunity to meet the people who make decisions in law firms. This program provides networking opportunities at various social and Chapter-supported events throughout the year that will enable Business Partners to form and develop relationships. It also enables Business Partners to create name recognition and brand awareness.

Our Business Partner Program is a remarkable success story. We introduce Business Partners who provide a broad spectrum of goods and services to our membership. In turn, your expertise helps us to prosper. It is a win-win proposition.

The Boston Chapter has a strong sense of community. We firmly believe that we have an obligation to support local non-profit organizations. Over the last few years, we have volunteered considerable time and resources to The Home for Little Wanderers, the Finex House, the New England Center for Homeless Veterans, the Greater Boston Food Bank, the Boys & Girls Clubs of Medford & Somerville, and Bridge Over Troubled Waters. We welcome Business Partners to join our Members in an effort to help our community.

Information and the renewal form are available at:
