

Increasing Prescribed Fire Capacity through Mentoring, a Growing Season Live-Fire Event

Please consider applying to attend this no-cost, “Learn & Burn” educational program to increase exposure and gain confidence in conducting growing season prescribed fire operations on woodlands.

The Alabama Prescribed Fire Council, along with public and private collaborating organizations, will conduct nine simultaneous prescribed burns on the first available burn window (Monday through Friday) between June 18 – June 22, 2018**. These Learn & Burn events will be held at the Sehoy Plantation property in Bullock

County in Alabama. Participants will attend the full day, 7:30 am to approximately 3:30 pm (CST). Sack lunch in the field will be provided.

***Depending on weather conditions, selected participants will be given 2 days advanced notice before the program is held.*

Prescribed fire is a SAFE way to apply a natural process, ensure ecosystem health and reduce wildfire risk.

WHAT YOU WILL LEARN: Those applicants who qualify, will experience this day-long “start to finish” learning opportunity at no charge. Up to six participants will be assigned to each crew managed by experienced, Alabama certified prescribed burn managers. Participants will have access all day to observe, ask questions and EXPERIENCE ignition and holding a burn between 43-175 acres with a variety of fuel types, forest types and stand conditions.

HOW TO APPLY: Please complete the online application form no later than June 1, 2018. Selected participants will be notified by email and/or by phone no later than June 8, 2018. Participants will be required to participate for the entire day and sign a hold-harmless liability disclosure/waiver on the day of the event. Questions can be forwarded by email to rxburning@aol.com or go to the application website at: <http://www.alaforestry.org/events>
