ACA has developed **Medicare Documentation: "Just Tell Me What to Do!"**—an important training series to give you proper documentation skills along with essential information to understand and fulfill complicated Medicare requirements.

**ALL** DCs are strongly encouraged to complete this 90-minute, on-demand program offered in four 20-30 minute modules before the January 2017 implementation of prior authorization for certain chiropractic services. It specifically addresses the following key areas:

- Guidance on chiropractic billing and documentation concepts
- Requirements for demonstrating medical necessity
- Determining coverage based on Medicare requirements
- Advice to help decrease claim submission errors & high denial rates

*Presented by Drs. Michael Jacklitch and Steven Conway, experts on ACA's Medicare Committee, this training was developed in response to a directive by Congress in Section 514 of the Medicare Access and CHIP Reauthorization Act of 2015 (MACRA) titled "Oversight of Medicare Coverage of Manual Manipulation of the Spine to Correct Subluxation."*

**ACA MEMBER RATE: \$30**  
**NON MEMBERS: \$150**
