Get Involved

As young attorneys, the opportunities offered through membership with the ACBA – such as CLEs, networking events and the Court of Appeals gala – have expanded both our professional and social networks. We have met and interacted with many seasoned attorneys, as well as Judges outside of the courtroom. Being a member of the ACBA Young Lawyer’s Committee has also introduced us to peers outside our areas of practice, which we feel is an invaluable asset to have within a small legal market such as Albany. And as co-chairs of the YLC, we are able to help plan events aimed at the particular interests and needs of attorneys in the early years of their careers. We highly recommend joining the ACBA and to take full advantage of membership opportunities.
