

CAREERS IN LANGUAGE

Helping educators, employers and career seekers to connect!

The ALC Bridge program is a platform for students interested in the language industry to explore career opportunities; educators to keep their fingers on the pulse of the industry; and employers to fill language-focused positions requiring professional skills. ALC Bridge is changing the way the language industry connects.

CONNECTIONS

Collaboration between employers and educators, the ALC Bridge prepares language students and professionals for the careers emerging in this evolving world.

EDUCATORS & EMPLOYERS

By promoting shared learning between the professional and academic sides of the language services supply chain, ALC Bridge ensures the availability of future generations of qualified language talent.

CAREER SEEKERS

ALC Bridge helps language professionals and students alike to identify, explore and land career-oriented jobs in the language services field, through its:

- Dynamic events and webinars
- Vast array of combined resources
