

2020 Algae Biomass Summit
September 8-11, 2020
UCSD Price Center
San Diego, California

Exhibit at the World's Largest Algae Industry Conference!

Exhibiting at the 2020 Algae Biomass Summit in San Diego, California allows you to showcase your service or product to the algae industry's most influential audience.

The 14th Annual Summit will bring together leaders from every sector of the industry: algae crop growers, research scientists, municipal leaders, technology providers, equipment manufacturers, project developers, investors and policy makers. Every product class will be represented; fish and animal feeds, food ingredients, fertilizers, supplements, biofuels, bioplastics and more.

In addition to booth space, all exhibitors receive complimentary marketing through promotional e-mails and brochures, an on-site program guide, the conference Web site and the online exhibitor list. The exhibit area receives a high amount of visitor traffic as networking receptions, breaks, and meal functions take place in the trade show area. A limited number of exhibits are available – so reserve your spot today!
